WAYNE HIGH SCHOOL

Huber Heights, Ohio

Wayne High School welcomed faculty and staff into their new High School in December, 2012 and opened its doors to students in January, 2013. Stevens' standard casework designs and configurations were used for typical classrooms, life skills labs and art rooms. Stevens music storage cabinets were provided in the vocal and instrumental music rooms including instrument and uniform storage. Stevens' millwork assemblies were used in several administrative locations. Wayne High School also features Stevens' laboratory casework in various designs and configurations to create a full complement of Chemistry, Biology, Physics, General Science and Prep rooms.
