

Introducing GREENGUARD Certified Music Storage Cabinets

INTERIORS

Interiors have Pearl White laminate for maximum light reflectivity and cleanability.

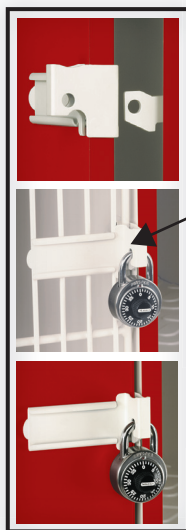

ACOUSTI-GRILLE DOORS

One-piece, all-welded heavy gauge grille doors with powder coated finish.

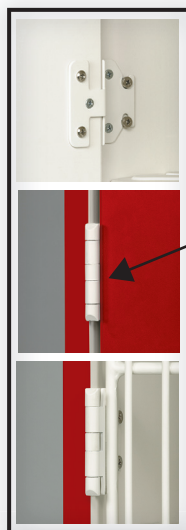

INSTRUMENT STORAGE

- Compartment sizes for small to large instruments
- A wide array of color options through Stevens Advantage color selector
- 3/4"-thick construction with laminated faces and high impact 3mm extrusion edges
- Exclusive one-piece wraparound Scuff-Gard™ shelf protection
- Individual solid doors and full solid doors
- Individual Acousti-Grille doors and full Acousti-Grille doors
- Self-latching lock hasp with easy trigger release on solid and Acousti-Grille doors
- Full height (84H), mid height (68H), and counter height (37H) storage options

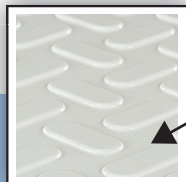

PADLOCK HASPS

Strong self-latching hasps with easy trigger release are a standard feature on Acousti-Grille and solid doors. Padlock hasp offers security. Label holders accommodate a wide variety of engraved plastic or other numbering devices. (padlocks not included)

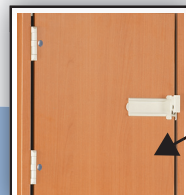

PATENTED FIVE-KNUCKLE HINGES

Proven institutional quality and strength stand up to the rigors of everyday music room use. Door hinges are five-knuckle style, safety-tipped with non-removeable pins, and allow 180° door swing for maximum access. Interior mounting maintains attractive appearance of face and sides. 5mm thread-in screw bolt attachment on solid doors and Acousti-Grille doors.

SCUFF-GARD™ SHELF PROTECTION

Shelves have exclusive one-piece wraparound Scuff-Gard™ shelf protection, engineered from high impact ABS with raised tread design for airflow and easy cleaning.

SOLID DOORS

3/4"-thick solid doors with high impact edges (shown with thru-bolt option).
