Model Number System

MODEL NUMBER DEFINED

Lockers, stackers and benches are defined using the 5-digit model number associated with the design illustration. The complete unit definition requires the width, height and depth suffix to properly identify the unit desired.

ACTUAL SIZES
For actual cabinet widths, heights and depths, see Design Details.

HOW TO ORDER

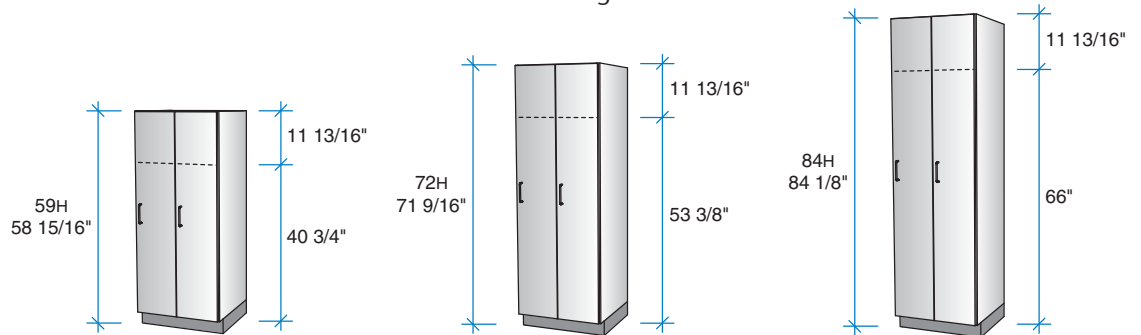

To order a locker, stacker or bench, provide the model number, followed by the desired nominal width, nominal height, and nominal depth, chosen from the available sizes listed.

For example, to order a 61001 locker that is 84" high by 21" deep, specify:
61001248421

BENCHES AND STACKERS

Stevens Advantage Type IV Benches and Stackers are designed to be used in combination with a 27mm top. They are not intended to be used individually.

- Assembled units align with 72H and 84H Lockers.
- Stacker and locker compartment widths match.
- Stackers are available in open designs, as well as right hinge and left hinge door configurations (concealed hinges only).
- Stackers are available with flat or slope top.

STACKER

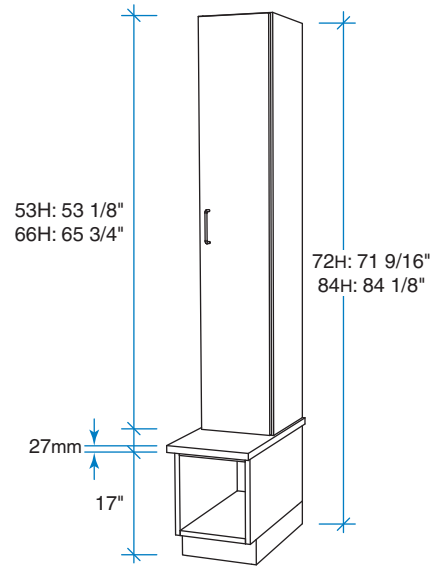

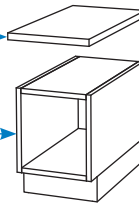

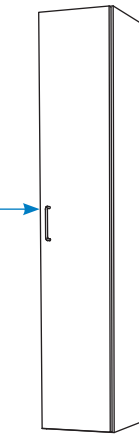

- 53H x 14D/18D: 10 configurations
- 66H x 14D/18D: 13 configurations

TOP

- Selected from Countertops section
- 27mm thickness is recommended (other thicknesses = non-standard overall heights)

BENCH

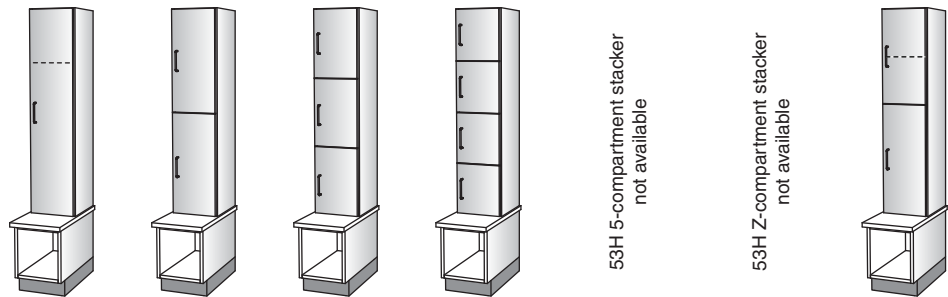

- 17H x 24D

Design Details

SLOPE TOP

Stevens Advantage slope top units are designed with integral slope ends, eliminating the need for on-the-job fabrication of slope structures. Overlay slope cover panels are shipped with length and end edging for final fit and sizing as installation field conditions may require. Stevens Advantage slope design incorporates a full 3/4" thick slope top on a 25° constant rising slope. Slope top options are available on nominal cabinet depths of 14", 18", 21", and 24". Slope tops not recommended for cabinet height above 84", due to possible ceiling interferences. 26816 Slope Top Cover Panels must be specified and ordered separately (not included with cabinet units).

Nominal Unit Depth	Rise	
	inches	mm
14	7	177.9
18	8 3/4	222.6
21	10 3/8	262.8
24	11 1/2	292.8
