MODEL NUMBER DEFINED

Cabinets are defined using the 5-digit model number associated with the design illustration. The complete unit definition requires the width, height and depth suffix to properly identify the cabinet desired.

HOW TO ORDER

To order a cabinet, provide the model number, followed by the desired nominal width, height and depth, chosen from the available sizes listed.

For example, to order a 48200 island that is 66" wide by 32" high by 30" deep, specify:

48200663230
