### INSTRUMENT STORAGE

- Compartment sizes for small to large instruments.
- Stevens Advantage laminate selections.
- 3/4"-thick construction with laminated faces and high impact 3mm extrusion edges.
- Exclusive one-piece wraparound Scuff-Gard™ shelf protection.
- Individual solid doors and full solid doors.
- Individual Acousti-Grille doors and full Acousti-Grille doors.
- Self-latching lock hasp with easy trigger release on solid and Acousti-Grille doors.
- Full height (84H), mid height (68H), and counter height (37H) storage options.

# BAND AND MUSIC

## Features – Instrument Storage

### HIGH IMPACT EDGES

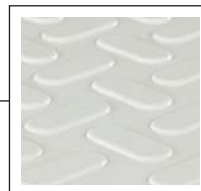

High impact 3mm edges stand up to years of use.

### INTERIORS

Interiors have Pearl White laminate for maximum light reflectivity and cleanability.

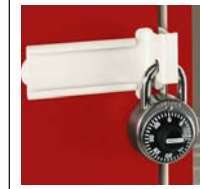

### SCUFF-GARD™ SHELF PROTECTION

Shelves have exclusive one-piece wraparound Scuff-Gard™ shelf protection, engineered from high impact ABS with raised tread design for airflow and easy cleaning.

### PADLOCK HASPS

Strong self-latching lock hasps with easy trigger release are a standard feature on Acousti-Grille and solid doors. Padlock hasp offers security. Label holders accommodate a wide variety of engraved plastic or other numbering devices. (padlocks not included)

### PATENTED FIVE-KNUCKLE HINGES

Proven institutional quality and strength stand up to the rigors of everyday music room use. Door hinges are five-knuckle style, safety-tipped with non-removable pins, and allow 180° door swing for maximum access. Interior mounting maintains attractive appearance of face and sides. 5mm thread-in screw bolt attachment on solid doors and Acousti-Grille doors.

### ACOUSTI-GRILLE DOORS

One-piece, all-welded heavy gauge grille doors with powder coated finish.

### SOLID DOORS

3/4"-thick solid doors with high impact edges (shown with thru-bolt option).

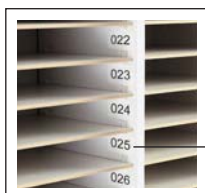

### COMPARTMENTS

1/4" folio shelves are adjustable and removable.

### CASTERS

Casters are bolted to steel reinforcing channels with end bolts extending through the bottom channel and panel into a cross-locking nylon insert four bottom corners. Four large 5" swivel casters (two with tread locking brakes) for easy rolling and tough duty.

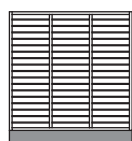

### FOLIO SHELVES

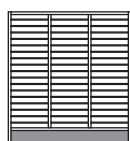

Number labels can be added to identify each slot.

## FOLIO STORAGE

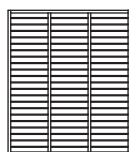

- Designs for band/orchestra, choral, and marching band.
- Base (fixed and free standing), hutch, tall, and mobile designs.
- Stevens Advantage laminate selections.
- 3/4"-thick construction with laminated faces and high impact 3mm extrusion edges.
- Shelves have 1 7/8" (48mm) spacing, with typical compartment opening of 1 5/8" (42mm).
- Heavy-duty casters, bolted to steel reinforcing channels, create a very stable and rigid structure that withstands rolling over uneven floors and thresholds.
- Choice of lockable solid doors or open designs.

## Features – Uniform/Accessory Storage

### SOLID DOORS

3/4"-thick solid doors have 180° door swing and high impact 3mm edges.

Full Acousti-Grille doors also available.

### HANGER BAR

Heavy chrome steel oval tubing with end sockets.

### PATENTED FIVE-KNUCKLE HINGES

Proven institutional quality and strength stand up to the rigors of everyday music room use. Door hinges are five-knuckle style, safety-tipped with non-removable pins, and allow 180° door swing for maximum access. Interior mounting maintains attractive appearance of face and sides. 5mm thread-in screw bolt attachment on solid doors and on Acousti-Grille doors.

### INTERIORS

Interiors have Pearl White laminate for maximum light reflectivity and cleanability.

### OPTIONAL VENTILATION GRILLES

Attractive ventilation grilles, top and bottom, enhance airflow.

## UNIFORM/ACCESSORY STORAGE

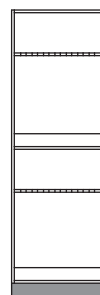

- Uniform, robe, rifle, banner/flag storage.
- Stevens Advantage laminate selections.
- 3/4"-thick construction with laminated faces and high impact 3mm extrusion edges.
- Choice of lockable full solid doors, open design, or lockable full Acousti-Grille doors.
- Powder coated wireform shelves allow air to circulate around hats and other stored items.

### MODEL NUMBER DEFINED

Cabinets are defined using the 5-digit model number associated with the design illustration. The complete unit definition requires the width, height, and depth suffix to properly identify the cabinet desired.

### HOW TO ORDER

To order a cabinet, provide the model number, followed by the desired nominal width, height, and depth, chosen from the available sizes listed.

For example, to order a 55414 cabinet that is 23" wide by 84" high by 29" deep, specify:  
55414 238429

### Percussion Workstation

**56220**

**W H D**  
48 36 24

#### PERCUSSION WORKSTATION

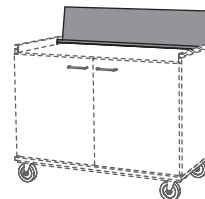

This self contained station lets you take those many percussion instruments right where you want them, keeping them organized and under lock and key.

- Large 24" x 48" padded top work area
- Four (4) heavy duty 5" swivel casters (2 locking) for easy transport
- Four (4) spacious drawers with padded bottoms
- Two (2) adjustable shelves
- Lower storage compartments for snare or parade drums
- Brackets for attachment of accessories
- Available in Stevens Advantage laminate patterns

### Music Rack

**56405**

**W H D**  
46 12 03

Mounts on 56220 Percussion Workstation

#### MUSIC RACK

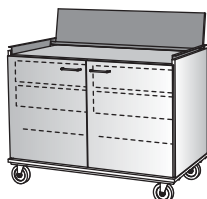

Flip up music rack attaches to work surface.

- Folds flat when not in use
- Full width for music of multiple musicians

### Percussion Workstation with Music Rack

**56221**

**W H D**  
48 36 24

#### PERCUSSION WORKSTATION

Same as 56220 Percussion Workstation shown above, plus 56405 Music Rack.

- Large 24" x 48" padded top work area
- Full width flip up music rack that folds flat when not in use
- Four (4) heavy duty 5" swivel casters (2 locking) for easy transport
- Four (4) spacious drawers with padded bottoms
- Two (2) adjustable shelves
- Lower storage compartments for snare or parade drums
- Brackets for attachment of accessories
- Available in Stevens Advantage laminate patterns

### Stereo Workstation

**56230**

**W H D**  
44 56 24

#### STEREO WORKSTATION

Large 24" x 44" spacious unit keeps a wide variety of electronic equipment organized and accessible.

- Upper level has a clear 36 1/2" width
- Upper locking pocket doors
- Lower locking doors
- Front half of top pivots up
- Two (2) half-width interior drawers
- Three (3) adjustable shelves
- Multi outlet power strip
- Heavy duty 5" swivel casters (2 locking)
- Available in Stevens Advantage laminate patterns

### Stereo Cabinet

**56310**

**W H D**  
24 46 24

#### STEREO CABINET

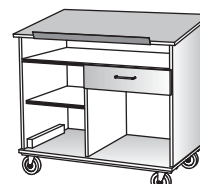

Compact yet self-contained, this cabinet lets you set up your stereo system components and keep them ready for use.

- Width is 29" with side speaker shelves down and 48" with shelves up
- Four (4) heavy duty 5" swivel casters (2 locking) for easy transport
- Lockable door and flip up top
- Two (2) flip up side speaker shelves
- One (1) 3"-deep bin and two (2) 6"-deep bins
- Two (2) ventilation grilles on back panel
- Multi outlet power strip
- Available in Stevens Advantage laminate patterns

### Podium

**56320**

**W H D**  
44 42 24  
48

#### PODIUM

Podium design in two widths of 44" and 48".

- Multi outlet power strip
- Lockable drawer
- Full width sloped top for spacious layout of music
- Full width storage compartment
- Four (4) heavy duty 5" swivel casters (2 locking) for easy transport
- Adjustable shelf
- Available in Stevens Advantage laminate patterns

56222

W H D  
48 44 32

Shown in extended 36" counter position

Shown in lowered 29" counter position

#### 48w MUSIC LAB WORKSTATION

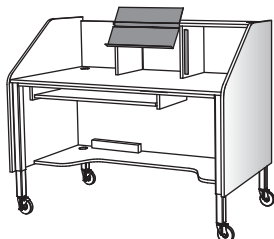

Designed to handle the components typical of today's student's needs. Organizes equipment and helps control cables and cords.

- Handles 61-key keyboard (worktop space 46½" long)
- Clamp-on music rack
- Pull-out keyboard shelf/writing surface with mouse pad space
- CPU shelf
- Multi outlet power strip and cord
- Rack space for electrical components
- Rear lockable access door
- Steel base frame construction with lockable 4" swivel casters
- Adjustable from 29" to 36" work height
- Available in Stevens Advantage laminate patterns

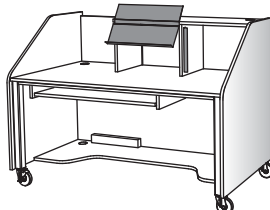

### 62w Music Lab Workstation

56226

W H D  
62 44 32

Shown in extended 36" counter position

Shown in lowered 29" counter position

#### 62w MUSIC LAB WORKSTATION

Extended width designed to handle wider keyboards and additional equipment.

- Handles larger 88-key keyboard (worktop space 60½" long)
- Clamp-on music rack
- Pull-out keyboard shelf/writing surface with mouse pad space
- CPU shelf
- Multi outlet power strip and cord
- Expanded rack space for electrical components
- Rear lockable access door
- Steel base frame construction with lockable 4" swivel casters
- Adjustable from 29" to 36" work height
- Available in Stevens Advantage laminate patterns

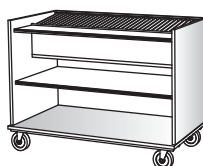

### Music Sorting Rack

# BAND AND MUSIC

## Music Room

File units must be securely anchored.

### FIXED FILE DRAWERS

Fixed file drawer units are installed for a permanent type installation. These units are typically part of a larger fixed installed elevation and require an additional countertop. Unit exterior backs are unfinished with exposed elevation ends laminated in selected laminate choice. Toe kick areas typically will be covered with a vinyl base application by flooring contractor. Fixed file drawer units are available in Stevens Advantage laminate patterns.

### WORKROOM STATIONS

Workroom stations have convenient countertop and storage areas complete with sink and faucet. Ideal as a repair center or general use.

- Stainless steel 17" x 16" sink with hot and cold gooseneck faucet and basket strainer
- Left and right hand orientations
- Durable laminate top with 3mm extrusion edges
- Complementary design to all other Stevens Advantage Band and Music cabinetry
- Specify lock option which adds 6-tumbler dead bolt locks to all openings
- Available in Stevens Advantage laminate patterns

### 36w Conductor Podium

**59000**

**W H D**  
36 06 36

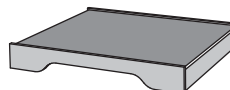

#### 36w CONDUCTOR PODIUM

Podium is a solid construction of laminated plywood ends and high impact edges. Deck has ribbed rubber covering with high impact edges.

### 48w Conductor Podium

**59001**

**W H D**  
48 06 36

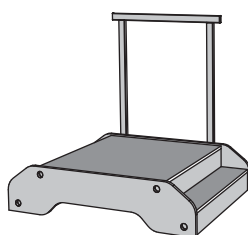

#### 48w CONDUCTOR PODIUM

Spacious 4' x 3' platform area has laminated plywood ends and high impact edges. Deck has ribbed rubber covering with high impact edges.

### Step-Up Conductor Podium

**59004**

**W H D**  
52 48 36

#### STEP-UP CONDUCTOR PODIUM

Constructed of laminated plywood ends and high impact edges. Deck and steps have ribbed rubber covering with high impact edges. Roller glides permit easy movement. Back rail is removable. 12" top deck height.

### Instructor White Board

**59010**

**W H D**  
96 48 01

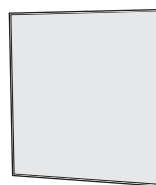

#### INSTRUCTOR WHITE BOARD

Aluminum framed dry erase white board includes staff lines on porcelain steel surface. Use with erasable marker or magnetic symbols. Includes bottom tray rail.

### Tack Board

**59012**

**W H D**  
48 48 01

#### TACK BOARD

Sized to be compatible with the white board. Includes tackable surface and aluminum frame.

### DIAGONAL CORNER MODULES

Stevens Advantage Diagonal Corner Modules utilize the dead corner space when L-shaped corners fall in plan applications. The many standard designs can be applied to any room use. Designs vary from instrument storage space, uniform and robe storage, flag and banner storage, and basic general storage. Units have fixed shelving as well a full height turret mechanism to bring the stored items to you. Instrument storage shelves have the same Scuff-Gard™ high impact molded cover as our regular instrument storage. Turret designs have welded and Pearl White power coated components. Units are available open, full solid door, and full Acousti-Grille door. Interiors are Pearl White laminated with finished ends and fronts chosen from Stevens Advantage laminate patterns and 3mm edgings.

## Accessory/Instrument Storage – 68<sub>H</sub>/37<sub>H</sub>

68<sub>H</sub> and 37<sub>H</sub> units require specification of added 59830 overlay top.

Stevens recognizes that only 84" high storage units may not always be the choice of preference. Lower units that require shorter reach heights as well as counter height applications can utilize valuable floor area and provide more ergonomic reach height solutions. Stevens Advantage Band and Music includes an extensive grouping of 68" high units and 37" high units for just such applications. Our 68" units are ideal where overall reach height of lower grade students is at issue. Our 37" units are ideal as a counter height application that utilizes valuable undercounter space.

### 68<sub>H</sub> Instrument Storage

#### 68<sub>H</sub> INSTRUMENT STORAGE

Stevens Advantage Band and Music includes instrument storage in a special lower 68" height, from the standard 84" height. The 68<sub>H</sub> may be a great choice for elementary and middle school band rooms where overall reach of younger musicians is at issue. 68<sub>H</sub> units require the 59830 overlay top to finish the top surface. Top surface area is an ideal storage level where individual lower access is not required but utilizes valuable upper room space. A wide choice of compartments with few limitations of specific instrument types is offered.

### 37<sub>H</sub> Instrument Storage

#### 37<sub>H</sub> INSTRUMENT STORAGE

Base style instrument storage units can be applied under windows or other obstructed wall areas which prevent use of tall units. Base units have all the same durable surface, shelf materials, and choices of open, Acousti-Grille, or solid door designs. Base units require the 59830 overlay top to finish the top surface, providing a convenient counter height work area.

40"-deep 58456 and 58256 units are factory assembled with fasteners suitable for in-field disassembly, allowing access through restrictive areas and doorways.

## Instrument Storage – 37<sub>H</sub>

37<sub>H</sub> units require specification of added 59830 overlay top.

### 37<sub>H</sub> INSTRUMENT STORAGE

Base style instrument storage units can be applied under windows or other obstructed wall areas which prevent use of tall units. Base units have all the same durable surface, shelf materials, and choices of open, Acousti-Grille, or solid door designs. Base units require the 59830 overlay top to finish the top surface, providing a convenient counter height work area.

### HIGH DENSITY MUSIC LIBRARY

Stevens Advantage High Density Storage System makes the most use of valuable space. Imagine replacing all those filing cabinets with a convenient, accessible, rollout shelf design. Systems are available in 2-, 3-, 4-, 5-, and 6-module assemblies. Units can be ordered as left face or right face accessible.

The Stevens System rolls out on four caster wheels mounted into a one-piece welded steel bottom structure. Unlike others, Stevens rollout modules are divided with an all-welded steel framing and have guide slides for easy tracking and control.

Shelf interior widths are 34½". 84H models with six shelf levels and 92H models with seven shelf levels. Shelves are predrilled for wire loop shelf dividers with adjustable shelves on 1¼" centers in both top and bottom compartments.

Shelf modules are ¾" materials with rigid dowel construction. Shelving units are laminated Pearl White with 3mm edgings. Steel parts have powder coated finish. Finished end cover panels and fronts can be chosen from Stevens Advantage laminate patterns and 3mm edgings.

Units are recommended for installation on hard surface floors, such as wood, tile or concrete, and the floor must be level within ¼" within a 6' span in both directions (from the front of the cabinet). These high density cabinets should not be installed on padded carpet. Units must be positively fastened (anchored) to the floor structure. The closed depth of the cabinet is 43¼", and the extended depth is 80" plus handle. A minimum 4"-6" clearance to ceilings is recommended. Unit assemblies require field installation and must be performed by a skilled professional. Shelf modules come factory assembled.

## Folio Storage – Fixed Base

### FIXED BASE FOLIO

Fixed base folio units are intended for a permanent type installation. These models are typically part of a larger fixed installed elevation and require an additional countertop. Unit exterior backs are unfinished with exposed elevation ends laminated in selected laminate choice. Toe kick areas typically will be covered with a vinyl base application by flooring contractor. Fixed cabinetry folios are available in Stevens Advantage laminate patterns with standard Pearl White interior.

## Folio Storage – Hutch

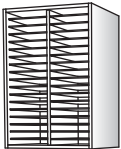

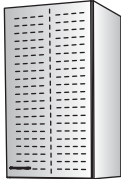

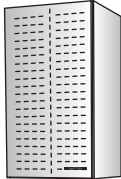

### HUTCH FOLIO

Folio hutches are intended as a permanent type installation. They are designed for use with fixed base folios. Typical installations might include a deeper base unit with overlay laminate top and a hutch. Hutch designs are available in Stevens Advantage laminate patterns with standard Pearl White interior.

## Folio Storage – Free Standing Base

### FREE STANDING BASE

Free standing base folio units come complete with finished ends, back, and top. These units are most flexible in that they can be located without regard to exposure of unit surface (all exposed faces are laminated for finish visibility). Free standing base folio designs are available in Stevens Advantage laminate patterns with standard Pearl White interior.

## Folio Storage – Mobile

### MOBILE FOLIO

Mobile folio units come complete with finished ends, back, and top. These units are most flexible in that they can be located without regard to exposure of unit surface (all exposed faces are laminated for finish visibility). Mobiles have large 5" swivel casters for ease of transport and rotation. Two casters have locking tread brakes. Mobile folio designs are available in Stevens Advantage laminate patterns with standard Pearl White interior.

## Makeup and Grooming

### MAKEUP AND GROOMING STATIONS

THE SHOW MUST GO ON! Stevens Advantage Makeup and Grooming units provide the counter space and convenience. These specific designed units have a 26" kneespace area and 18" wide cabinets. Use a single unit with the opportunity to add sections as needed. Use a double unit as the starting center and add left or right sections to make other layouts. Units are a convenient 33" counter height suitable for both stool sitting or standing.
