Solid Surface color groups indicate three price categories. Contact your Stevens Advantage® dealer for specific pricing information.

Wilsonart

nevamar

pionite

These patterns in standard finishes comprise the offering that is available for a base price. In addition, matching edgebandings have been developed and produced to alleviate minimum purchases and to minimize lead times.

Thousands of options are available; however, pricing and lead times may be affected. Should you have a wish, want or specification, please contact Stevens Industries for more options.
